The screenshot shows a web form titled "Customer Pulse Survey" from the Ministry of Energy and Infrastructure. The form includes the UAE coat of arms and the "CUSTOMER PULSE" logo. The survey question is "Is there anything else you would like to share with us?". Below the question is a dropdown menu labeled "Please select" and a large text input area with a "2000 characters left" indicator. A prompt asks the user to "Kindly provide your mobile number or Email for follow up" with a corresponding input field. At the bottom, there are "Previous" and "Submit" buttons.

11. When the request is approved by the ministry, then an email notification will be sent automatically to the customer in order to pay the fees through the electronic service
12. Also, you can find, view and download all your reports, certificates and receipts from the end user dashboard.
